DESCRIPTION

This report summarizes investments made during the month of May 2022 and includes our required quarterly investment reporting.

STAFF RECOMMENDATION

This item will be approved along with the Consent Calendar unless it is pulled by a Director for separate consideration. If so, Staff recommends that the Board adopt the following motion:

Motion: I move that the Board receive and file the Monthly Investment Report for the period ending May 31, 2022 and the Quarterly Investment Report.

Discussion

The District's Investment Policy requires the Finance Officer/Treasurer, which is the General Manager, to report to the Board any changes made in District investments as follows:

MONTHLY REPORT

Policy:

Finance Officer/Treasurer shall make monthly reports to the Board with the following information:

- *Investments made or retired during the preceding month.*
- *Single transfers between permitted institutions of greater than \$150,000.*

Working with Finance Advisory Committee Chair, Chris Womack, Administrative Services Manager, Julian Metcalf, and the District's US Bank account representative, the Finance Officer moved funds from the Wastewater redemption and reserve funds and invested as follows:

Fund	Instrument	Amount	Yield	Maturity Date
Reserve	T-Note	\$100,000	2.14%	11/29/23
Reserve	T-Note	\$125,000	2.76%	8/30/25

The strategy is to move available funds into secure short-term investments allowed under the District's Investment Policy to leverage better interest rates than the typical checking and money market accounts yield. The Finance Officer will continue to monitor the results

of these investments and changes in interest rates to determine if changes need to be made at the time of maturity of investment.

On May 12, 2022, \$200,000 of Treasury Bills held in the Wastewater Reserve fund matured. The Bills were purchased for \$199,845 on February 11, 2022. The District earned \$155.00 when the Bills matured.

QUARTERLY REPORT

Policy:

Finance Officer/Treasurer shall file a quarterly report that identifies the District's investments and their compliance with the District's Investment Policy. The quarterly report must be filed with the District's auditor and considered by the District's Board of Directors within thirty (30) days after the end of each quarter (i.e., by May 1, August 1, November 1, and February 1) (California Government Code § 53646). See Attachment.

The District holds other funds in checking, LAIF, and money market accounts as detailed in the attachment. Pursuant to District policy, these funds require limited quarterly reporting of the most recent ending statements for the quarter. See attachment.

Compliance: The District's investments comply with the Investment Policy, California Government Code § 53646, and California Government Code § 16429.1.

Cash Flow: Based on our analysis, the District can meet cash flow requirements, including any pool expenditure requirements, for the next six months.
