SPECIAL PROGRAMS/PROJECTS

7. During the month of July, Staff began preparations for the upcoming Fire Safety Fair that is scheduled to take place on Saturday, October 8, 2016 from 11am-3pm in the Rite-Aid Parking Lot. This annual event includes tours of the Fire Engines, a true-to-life training in the SLO County Firehouse that teaches children to get low, get out and call for help when they see smoke indoors, demonstrations by SLO Ambulance, SLO County Sheriff's Office, the Estero Bay Community Emergency Response Team (CERT), the Los Osos Focus Group. In addition, Station 15 – South Bay will demonstrate auto extrication techniques using the jaws of life and children can try their hand at our Extinguisher Flash Pan booth or conduct a cliff rescue to save a teddy bear. Come out and meet Smokey Bear and participate in our Stamp Station Game for free homemade baked treats.

SPECIAL PROGRAMS/PROJECTS

8. During the month of July, Staff began collecting competitive price quotes to purchase a new Command Vehicle in FY 2017/2018 that meets the municipal needs of Los Osos, as well as CAL FIRE/SLO County Fire Department.
9. On March 19, 2017, E215 was taken out of service due to an open internal switch valve in the transmission that caused the vehicle to only operate in reverse. Engine 262 from Avila was provided to us at no cost. The engine remained in the shop throughout the month of July. Staff anticipates the repair will be complete in late August.
10. On June 28, 2017, while responding to a Code 3 medical aid call, Medic Rescue 15 was involved in a non-injury traffic collision. It was towed to Los Osos Auto Body where repairs were made throughout the month of July.
11. On July 9, 2017, Station 15 – South Bay Staff, in cooperation with former LOCSD Board Member Leonard Moothart and at the request of the family, flew new American and California State flags in front of the fire station in remembrance of former LOCSD Board Member R. Michael Wright. In addition, on-duty Staff attended the funeral service with Medic Engine 15. Station 15 – South Bay is truly grateful for Mr. Wright's faithful and diligent service to Los Osos. He will be dearly missed.

FIRE PREVENTION

12. From June 5 through June 8, 2017 Station 15 – South Bay Reserve Firefighters inspected every lot in the District for violations to the fire code. In total, 288 violations were found. Unfortunately, the initial software data that was obtained was unreadable. CAL FIRE GIS Research Analysts examined and salvaged the data allowing Staff to mail violation notices to property owners in late-July, with a compliance deadline of August 24th.
13. On July 31, 2017, Station 15 – South Bay Staff met with representatives from St. Elizabeth Ann Seton Catholic Church to assist in creating a safety exit plan for parishioners and catechism students.

Respectfully Submitted,
