Board of Directors
Los Osos Community Services District

It is my privilege to present my recommendations for expenditures and forecast for revenues for the Fiscal Year (FY) 2020-2021 to the Board of Directors and community members of the Los Osos Community Services District. The development of the budget was a team effort which included staff, committee members and community residents.

This FY 2020-2021 Budget Document includes a variety of information designed to assist the reader in understanding the District's financial health and fiscal priorities for the 2020-2021 fiscal year. The budget document is formatted to provide the key information for each fund followed by a summary of revenues and expenditures. The purpose of displaying the information in this manner is so the reader can get a snapshot of the fiscal health of each fund and of the District as a whole by reading and understanding the information presented.

This budget continues to implement the District's reserve policies which were amended and updated in 2017 to ensure the sustainability of the District's operations and programs for emergency services, water, drainage, lighting and parks and recreation. With the adoption by the Board of 2020 work plans for the various committees, the budget supports the direction and objectives outlined in those plans.

Overall, the District is financially healthy in all funds. There are fiscal challenges associated with rising costs due to increases in labor outlays, property and liability insurance and unfunded pension liability for legacy and Tier 2 employees. Because of the District's fiscal health, these increases have been able to be sustained without major impacts to each operating budget.

When reflecting on FY 2019-2020, it can be characterized as a year of change for the District. With the hiring of five new employees (including the General Manager) this year, past business practices are being reviewed and updated for efficiencies, policies are being assessed and revised to reflect current operating conditions, team building and organizational development has been emphasized.

As your General Manager, it is my responsibility to present a well thought out and balanced budget for FY 2020-2021 which includes recommended expenditures and forecast of revenues for each fund. I believe we have accomplished all of this with the FY 2020-2021 budget as presented. As I stated earlier, this was a team effort and I want to thank all that were involved.

Respectfully,

Ron Munds
General Manager

Fiscal Year 2020-2021 Final Budget Summary

The following sections of this budget document provide a summary of the Fiscal Year (FY) 2020-2021 budget by Fund. The more detailed line item descriptions are provided as an attachment to this document. Where applicable, property tax revenue estimations were provided by the County of San Luis Obispo and District Staff with the assistance from an outside consultant. Also where applicable, property tax revenue allocations were per the direction of the District's Board of Directors.

Fund 100 – Administration

Major Requests: Increase liability insurance costs, increase in unfunded accrued liabilities for retirements, adjustments for actual Legal Services costs and funding for the upcoming election.

Impact to Budget: SDRMA insurance increase of approximately \$12,000; increase in unfunded accrued liabilities for retirement's increase of approximately \$7,100 and legal services increase of \$12,000; election costs are estimated at \$20,000.

Fund 100 – Summary

The Administration budget will see an overall decrease in expenditures for FY 2020-21. As explained during the mid-year budget adjustment process, there were several one-time costs that will not carry over to this fiscal year plus the Administrative Clerk salary has been divided equally between Administration and Fund 500 as originally approved by the Board. The District's insurance carrier, SDRMA, raised their rates about 35% across the board with the increase reflected in the budget. Staff researched and corrected the amount of the unfunded pension liability for legacy and Tier 2 employees resulting in an increase of approximately \$7,100. The legal services budget was increased to reflect expenditures from the current fiscal year which are anticipated to be about the same for FY 2020-21. The upcoming November election costs are estimated at \$20,000. The overall decrease in Fund 100 is approximately \$53,000. The decrease will be reflected in the cost allocation to the other funds as indicated in the table below.

The following table summarizes the budget for Fund 100. More detailed information is available in the attached Final Budget worksheets.

Fund 200 – Bayridge Estates

Major Requests: A request to decrease in the property tax revenue needed to support Fund operations.

Impact to Budget: A budget decrease of approximately \$49,460.00.

Fund 200 – Summary

With the completion of the septic decommissioning project this fiscal year, the remaining major expenditure for Fund 200 is the repayment of the inter-fund loan to Fund 500. Staff is proposing paying approximately \$71,400.00 using the Fund balance on June 30, 2020. This would leave a loan balance of \$10,000 which would be paid off November 1, 2020. Staff’s conservative tax revenue requirements of \$25,533.00 for FY 2020-21 include paying off the loan, paying for estimated lighting district costs and administrative overhead.

The following table summarizes the budget for Fund 200. More detailed information is available in the attached Final Budget worksheets.

Fund 301 – Fire

Major Requests: Increase in Schedule A costs, increase in unfunded accrued liabilities for retirements, increase in minimum wage line items for reserve firefighters and purchase of a new utility vehicle.

Impact to Budget: 7% cost increase in Cal Fire Schedule A budget with an increase in cost for service of about \$170,000, increase in unfunded accrued liabilities for retirement costs of about \$53,270, approximately \$30,000 reserve firefighter wage increase as a result of the minimum wage increase and approximately \$69,000 for the purchase of a new utility vehicle.

Fund 301 – Summary

Fund 301 receives revenues through multiple sources with the primary sources being Zone B and the Special Fire Tax property taxes. Additionally, the Fund has historically received a percentage contribution from the Zone A property tax assessment. For FY 2019-20 the contribution was 25% of Zone A revenue or \$63,430.50. The County has provided the District with the estimated property tax revenue for Zone B, staff has estimated the remainder of the revenue based past projection methodologies and has included the 47.5% contribution from the Zone A property tax revenue which equates to \$124,791.05.

On expenditures, Fire staff decreased the amounts of several line items in the Personnel and Services & Supplies categories to help minimize the impacts from the above stated requests. Also, the Capital Outlay expenses were reduced, as well as the amount contributed to the General Contingency Reserve. The significant cost increases are attributed to the increase in the Schedule A costs of about \$170,000.00, the significant increase in the District contribution to the unfunded accrued liabilities for retirements, increases in the minimum wage for reserve firefighters and the scheduled purchase of a new utility vehicle.

The following table summarizes the revenue and expenditures for the Fund 301 budget. A combination of using cash fund balance and reserves will be used to balance the budget. More detailed information is available in the attached Final Budget worksheets.

Fund 400 – Vista de Oro

Major Requests: Decrease in consulting services.

Impact to Budget: Decrease of \$200 for consulting services.

Fund 400 – Summary

Fund 400 budget remains essentially unchanged for revenue and expenditures except a small decrease in the consulting services line item. The main expenditure is its debt service payment from inter-fund loan to Fund 500. It is anticipated that the loan will be paid off in June 2022. The overall property tax assessment will remain at \$15,768.00 which will pay for the debt service payment, the lighting district’s estimated costs and administrative overhead.

The following table summarizes the revenue and expenditures for the Fund 400 budget. More detailed information is available in the attached Final Budget worksheets.

Fund 500 – Water

Major Requests: Increase in Salaries and Wages per SLOCEA MOU and funding 50% of the Administrative Clerk salary, increase in unfunded accrued liabilities for retirements, increase in Capital Outlay for Capital Improvement Project (CIP), increase in Property/Liability Insurance and vehicle/equipment replacement.

Impact to Budget: Salaries and Wages will increase approximately \$55,000; unfunded accrued liabilities for retirement will increase by about \$45,000, insurance will increase by \$11,000 and CIP will increase by \$215,000 for the projects identified in the CIP table below.

Fund 500 – Summary

Revenue Projections

Staff has conservatively assumed the same water sales and other revenues as were used in the 2019-20 budget even though projected revenues for the fiscal year will perform slightly higher than anticipated. With the emergency “shelter in home” order which started in March, staff believes revenues will be up during the quarter of the fiscal year because our residential customers were home using more water than usual. The projection also assumes a reduced Zone A property tax allocation from 50% to 35% or a reduction of approximately \$40,000.

Expenditures

A significant number of the individual line items in the budget will remain either unchanged or increase/decrease by minor amounts. The significant increases come under the Personnel category with an overall increase of \$89,194.00. The primary factors driving the rises are the negotiated pay increases in the two year labor contract with SLOCEA, the shift of 50% of the Administrative Clerk salary to Fund 500 and the significant increase in the District contribution to the unfunded accrued liabilities for retirements. Some adjustments were made in the assumptions in the paid leave line items to reflect the actual trends within each category and to help minimize the impacts to the overall personnel costs.

There was also an across the board 35% increase in the District's liability insurance rate by SDRMA which equated to about \$11,000.00. Staff was able to decrease other budgetary items to minimize the impact of this increase. Finally, there is a significant amount of Capital Outlay budget that will carry forward for projects budgeted for in the FY 2019-20 Capital Plan. Expenditures were tracked for each project as reflected in the CIP table below. Some estimated project costs have been adjusted to reflect more updated information where appropriate. Staff is proposing adding two capital projects and the purchases of a truck and piece of equipment as reflected in the table totaling \$215,000.00.

At this point, it is recommended to add \$57,000 to the General Contingency Reserve. Staff will analyze the Fund balance and bring any future recommendation for contributions to reserves to the Board in Quarter 3 of the FY 2020-21.

The following table summarizes the revenue and expenditures projections for the Fund 500 budget. A combination of using cash fund balance and reserves will be used to balance the budget. More detailed information is available in the attached Final Budget worksheets.

Fund 600 – Wastewater

Major Requests: Increase in the fee charged by NBS for property tax assessment and collection services.

Impact to Budget: NBS fee increased by \$1,283.12.

Fund 600 – Summary

In FY 2019-20 budget, Fund 600 received 12.5% of the Zone A revenue. Staff is recommending that no Zone A monies be allocated to Fund 600 for FY 2020-21. Budget estimates to provide property tax assessment and collection services have been provided by NBS and fees assessed by US Bank.

The following table summarizes the budget for Fund 600. More detailed information is available in the attached Final Budget worksheets.

Fund 800 – Drainage

Major Requests: Proposed increase in the Capital Outlay line item to support Fund 800s share of the revised cost estimate of the SCADA system.

Impact to Budget: \$37,500.00 increase to the Capital Outlay budget.

Fund 800 – Summary

Revenues for Fund 800 increase slightly from an increase in the Zone D revenues as projected by the County and an increase in interest income. Expenditures in Fund 800 remain mostly unchanged. The SCADA project approved as part of the FY 2019-20 Financial Plan estimated the cost of the project at \$250,000 with Fund 800 share being 25% or \$62,500. The FY 2019-20 Capital Outlay budget will be carried forward but the revised cost of the project is \$400,000 increasing Fund 800s share of the increase to \$100,000. Fund 800 has the necessary bank balance in the general checking account to fund the added costs. Staff will analyze the Fund balance and bring any future recommendation for contributions to reserves to the Board in Quarter 3 of the fiscal year.

The following table summarizes the budget for Fund 800. A combination of using cash fund balance and reserves will be used to balance the budget. More detailed information is available in the attached Final Budget worksheets.

Fund 900 – Parks and Recreation

Major Requests: There is no major request for funding at this point in time though the Ferrell Avenue Pathway Project may proceed during FY 2020-21.

Impact to Budget: Unknown

Fund 900 – Summary

The Fund 900 budget remains the relatively same as the FY 2019-20 budget except for an increase in the estimated revenue from interest income and an increase in the percentage of Zone A property tax revenue from 12.5% to 17.5%. It is anticipated that the Ferrell Avenue Pathway Project will move forward during FY 2020-21 but at this time there is no cost estimate for the project.

Attached is a draft Exhibit "A" for the above referenced zone.

There were no changes to the parcels within the special district since the FY 2019-20 tax roll. However, since the septic system has been fully decommissioned, the revenue requirement has decreased. This results in a new rate of \$102.00 per parcel to be used. This was decreased from \$373.00 which was the FY 2019-20 approved amount.

The following parcels are not being assessed within the special district:

Table with 2 columns: APN and OWNER. Lists 17 parcels and their respective owners, including Los Osos Community Services District and SLO County - Public Works Dept.

FY 2019/20
Number of Parcels = 147
Amount Due = \$54,831.00

FY 2020/21
Number of Parcels = 147
Amount Due = \$14,994.00
