In accordance with the Limited Obligation Improvement Bonds Debt Service Schedule, the District will need to collect \$1,155,750 for the March 2, 2016 and September 2, 2016 payments (Year 14).

The amount collected through FY 15/16 Property Taxes is \$1,147,819.36. The difference is due to the forty one (41) APN's that fully paid their assessments after the discount period, and the five (5) common area parcels that are no longer subject to tax collection.

We are assuming that a portion of the above APN's assessment payments, currently being held in a LOCSD account, be used to make that APN's payment in Year 14.

**The District has indicated that they would like to include the Administration Fee of \$12.00 per parcel. The total number of parcels being collected on is 4,195. This will add an additional \$50,340 for a total of \$1,198,159.36 to be collected via the FY 2015-16 Tax Roll.**
