1. Bayridge Estates Annual Service Charge
2. Vista de Oro Annual Service Charge
3. Drainage Special Tax
4. Fire Protection and Prevention Services Special Tax
5. District No. 1 Wastewater Assessments

The mandated notices have been posted in accordance with legislation.

STAFF RECOMMENDATION

The staff recommends that by motion the Board take the following action:

Motion: I move that the Board adopt Resolutions 2019-15, 2019-16, 2019-17, 2019-18, and 2019-19 to levy the charges, special taxes, and assessments, as listed separately in EXHIBIT A, for Bayridge Estates, Vista de Oro, Drainage, Fire Protection and Prevention Services, and District No. 1 Wastewater Services and direct staff to submit adopted resolutions and tax rolls to the County for collection.

DISCUSSION

Annually, various assessments are placed in the tax rolls for collection. In accordance with legislation and the County's rules, resolutions need to be adopted to legally place these in the tax rolls.

These assessments are individually listed in Exhibit A immediately following each applicable resolution. The rate or amounts for Bayridge Estate, Vista de Oro, and Drainage Special Tax are the same as in prior years; the Fire Special Tax includes the 3.89% adjustment approved by the Board on May 2, 2019; and, the base assessments for the Wastewater Assessment District No. 1 includes a total Administrative Charge of \$16,896.26 to be spread among all assessed parcels to cover trustee fees, assessment fees, assessment process fees and disclosure reporting and credit status maintenance. This administrative charge is authorized under the provisions of the Municipal Improvement Act of 1913 and the Improvement Bond Act of 1915.

The bond assessments (for the Wastewater Assessment District No. 1) may vary by a few cents each year, due to the varying rates of maturing bonds, however, the total assessment for each parcel remains the same for the whole life of the bond which will all mature by 2034.

Assessment Lists. Due to the volume of the lists labeled as EXHIBIT A, only one hard copy was produced and is available for public review; the Board Clerk is holding this copy. The list is also available in electronic format. The assessments that are the subject of these resolutions are summarized below. Wastewater Bond Assessments only show the rates for an average single family residential unit. The recap below shows the Wastewater Assessment amount needed for debt service.

Receiving Fund	Purpose	Total Amount per List	Rate	
200 - Bayridge Estates	Annual Service Charges	\$54,831.00	\$373.00	per parcel
301 - Fire	Fire Protection and Prevention Services	\$583,128.00	\$17.80	per unit of benefit

800 - Drainage	Drainage Services	\$95,312.00	\$16.00	per parcel

FINANCIAL IMPACT

Approval of the recommended actions is needed to fund the budgets for Fiscal Year 2019/2020 for each of the specific funds affected and is critical to the continued delivery of services provided by these funds and to honor debt agreements.
