- The General Manager gave a presentation to Los Osos Rotary Club on the functions of the CSD and water issues facing the community on November 8<sup>th</sup>.
- The General Manager provided a second presentation on water issues facing Los Osos to the Scenic Coast Realtors Association on November 21<sup>st</sup>.
- Final work was completed on the grant application for the 8<sup>th</sup> Street Well Project final application will be submitted the County to DWR in December. Award of the funds anticipated in early to mid-summer.
- The General Manager continued to attend stakeholders meeting regarding the new Los Osos library. The first community workshop was held on November 4<sup>th</sup>, a debrief meeting on the workshop was held on November 12<sup>th</sup> and a second community workshop was held on December 2<sup>nd</sup>. The General Manager will continue to be part of the working group for the next several months.
- The BMC's Lupine Street monitoring well construction was completed in November. The General Manager and District staff provided critical support for the project. The well will provide valuable seawater intrusion monitoring data to the BMC.
- The General Manager completed work on executing contracts initiating the work for the Los Osos Middle School test well and the South Bay Transmission Water Line projects.
- The General Manager has been involved during November in working with the BMC agency staff on the transition to a new Executive Director.
