DESCRIPTION

At the December 2, 2021 Board meeting, the Board selected Map 3A as a final districting map. Staff was directed to return to the Board on January 6, 2022 with a resolution to adopt the final map as required by the California Voting Rights Act. This report summarizes the timeline and events leading up to the final recommended action.

STAFF RECOMMENDATION

Motion: I move that the Board:

- 1. Adopt Resolution No. 2022-02 which establishes voting districts for the Board of Directors; and***
- 2. Direct staff to work with the District consultant, Cooperative Strategies, and the County Elections office to have the districting map integrated into the countywide voting system.***

DISCUSSION

Background

The District started the process to comply with the California Voting Rights Act on January 7, 2021. The Board adopted Resolution No. 2021-01 declaring its intention to transition from at-large to division-based elections for the Board of Directors commencing with the General Election in November 2022. To meet the requirements of Elections Code Section 10010, the District conducted two (2) Public Hearings over a period of no more than thirty (30) days, at which time the public was invited to provide input regarding the composition of said area boundaries. Those meetings were held on August 5, and September 2, 2021.

At public hearing three, the Board reviewed the 2020 census data and three prospective area boundary scenarios. The Board provided input to staff and the demographer on modifications to Map 2 which resulted in the development of three additional map scenarios, 2A, 2B and 2C. At public hearing four, the Board reviewed the three original maps and the new scenarios. The Board requested that Maps 3 and 2A be brought back for further consideration and deliberation. At public hearing five, the Board reviewed the map scenarios 2A and 3 and selected a revised map 3 (Map 3A) as the final map.

Next Steps

- Upon the Adoption of Resolution No. 2022-02, staff and the demographer will work with the County Elections Office to have the districting map integrated into the countywide voting system. The first by-division election will be held in November 2022.

Financial Impact

There is no financial impact beyond the executed contract with Cooperative Strategies and the noticing cost for the Public Hearing associated with recommended action in this report.
