AGENDA ITEM	DISCUSSION
<p><b>D. Approve Recycled Water Agreement with San Luis Obispo County</b></p>	<p>District Engineer Rob Miller reported that the agreement to deliver recycled water to District customers has been reviewed by both District and County Legal Counsels, and the Utilities Advisory Committee and endorsed as being an appropriate agreement; he reported that the primary recipients to receive the recycled water will be the two schools that lie in the District's service area and the largest customers because of the irrigation demands for potable water; this will be a conversion of those customers from potable water to recycled water, being disconnected from potable mains for the purpose of irrigation and will remain District customers for the purpose of billing and revenue; the County is responsible for providing all the infrastructure, the required retrofits, and the quality of the recycled water; the District is required to set the meter, conduct the reading of the meter, set the rate, and bill the customer. Mr. Miller reported that this particular use of recycled water is determined the highest benefit to seawater intrusion.</p> <p>Public Comment – Richard Margetson commented that the last time a contract regarding the selling of recycled water never came before the Board and appreciated the Board seeing this new contract; and, the seawater intrusion mitigation factor and the County's contract with the dryland farmers.</p> <p>Julie Tacker supported the agreement and opposed the use of potable water for dust control.</p> <p>Scott Kelting suggested that a better solution for the schools would be artificial turf.</p> <p><b>A motion was made by Director Tornatzky that the Board approve the draft agreement and authorize the Board President to execute the agreement on behalf of the District. The motion was seconded by Director Womack and carried with the following vote:</b></p> <p><b>Ayes: Directors Tornatzky, Womack, Cesena, Ochylski, Milledge</b>  <b>Nays: None</b>  <b>Abstain: None</b>  <b>Absent: None</b></p>
