Eddy Moore

Battalion Chief
Paul Provence

- **Ferrell Avenue Pathway Project (Pathway Project).** Construction of the Pathway Project is complete. We are planning on having the next Parks and Recreation Advisory Committee meeting on July 20th at the site for a photo opportunity.
- **Program C Well Project Draft Initial Study.** The public comment period has closed for the draft Initial Study. Staff and SWCA will be working on addressing the comments and finalizing the study and report. It is anticipated that the Initial Study/Mitigated Negative Declaration will come to the Board for approval at the August 5th Board meeting.
- **Office Opening/Live Meetings.** The office will be open on July 1st starting with limited hours for the first couple of weeks. Hours will be from 11:00am to 2:00pm. Regular hours will begin on July 14th. The District will be moving to live committee meetings during the month of July with the first live Board meeting scheduled August 5th. Staff appreciates the community's response to the closure of the office back in March 2020 and we are looking forward seeing people in person in the near future.
- **Drought Reminder.** We want to remind the community that the Central Coast is in a level D-3 drought which is consider extreme. The District remains in Stage 3 of the Water Shortage Contingency Plan. Please pay close attention to your water use, limit outdoor watering as much as possible and always check for leaks around your home and yard. If you need assistance, please call the office at 805-528-9370.
