**District /CAL FIRE Chief Report for June 2016**

**EMERGENCY ACTIVITY**

1. Station 15 - South Bay responded to 89 calls in June with 1 Simultaneous Call (Back to Back). The Simultaneous Call required Advanced Life Support (1st: 0, 2nd: 0, Both: 1). Of these 89 incidents, 66 were Medical Calls with 50 requiring Advanced Life Support provided by Paramedics; A CAL FIRE Firefighter rode in to the hospital with SLO Ambulance one time during the month of June. No calls required Staging; Three incidents were reported as Traffic Collision; Four incidents were reported as Fire, 14 as Public Service Assists, and five as Emergency.
2. Company 15 was called to cover the station or respond to emergencies in the month of June a total of five times.

**ADMINISTRATION**

3. On April 17, 2016 Medic Engine 215 was sent to the Emergency Vehicle Group in Anaheim for mechanical and electrical issues and remained in the shop throughout the month of May and June. While Medic Engine 215 was in the shop, SLO County Medic Engine 212 was assigned to Station 15 - South Bay to maintain two vehicles for emergency response.
4. From June 10-14, 2016 the Command Vehicle (B-3411) went out of service with a coolant leak. It was towed to Perry Ford where it was determined that the heater core lines had failed. Both lines were replaced at a cost of \$1,172, paid for through the Cooperative Fire Protection Agreement.
5. In June, Station 15 – South Bay hired Carley Robson as a temporary Reserve Firefighter for the fire season. Robson has been employed as a Paid-Call Firefighter at the CAL FIRE Airport Station in SLO for many years and, therefore, possessed all of the minimum qualifications necessary to be hired at Station 15 immediately. We are proud to have Carley as the newest member of Company 15.

## **SPECIAL PROGRAMS/PROJECTS**

This prize was won at the Annual Needs'N'Wishes Fundraiser.
8. On June 6, 2016, Templeton Floor Company began the installation of new carpet and tile throughout much of Station 15. This anticipated expense was budgeted for through Fund 301 Capital Projects.

Court) to a Fire Engine Tour and a short presentation on personal protective equipment. Following the presentation, each child received a fire hat and a bag of trinkets for both fun and education.
