<p><b>7. PUBLIC HEARING</b></p> <p><b>7A. Public Hearing to Adopt Drought Emergency Water Conservation Measures Pursuant to California Water Code Section 375</b></p>	<p>District Legal Counsel Seitz reported that this Public Hearing is in regards to the State Water Resources Control Board's approved emergency conservation regulation to ensure water agencies reduce outdoor water use. The District's mandatory regulations limits water usage for irrigation purposes for turf and ornamental horticulture to a total of 15 minutes during dark hours on Wednesday and Sunday for even numbered addresses and Tuesday and Saturday for odd numbered addresses. He read the proposed changes to the resolution. He reported that this is a classic unfunded mandate and that the District is doing the minimum required by the State's new conservation regulation. The emergency regulation remains in effect for 270 days unless extended by the State Water Board.</p>

AGENDA ITEM	DISCUSSION
<p><b>7A. Public Hearing to Adopt Drought Emergency Water Conservation Measures Pursuant to California Water Code Section 375 (continued)</b></p>	<p>Vice President Wright opened the public hearing for testimony to consider all objections or protests.</p> <p>Lynette Tornatzky asked for clarification of dark hours and if the size of a lot would matter in the 15 minutes of watering allowed.</p> <p>Keith Wimer supports minimizing the use of potable water for outdoor irrigation and that the Los Osos Sustainability Group (LOSG) recommends 57 gallons per person per day indoor and outdoor use or less. He asked the Board to urge the County to spend the five million dollars from the Wastewater Project on maximizing conservation and implement an aggressive outdoor program.</p> <p>Chuck Cesena, candidate for District Board of Directors, commented on the use of timers for watering and the need for community education with a good public information campaign.</p> <p>Linde Owen commented on the need for the State mandate; restrictions on private wells; asked about how enforcement would work; agreed that it is necessary to protect trees; and agreed with community education and the County spending the five million dollars to maximize conservation.</p> <p>Keith Swanson, candidate for District Board of Directors, believes that Los Osos is already doing a good job with water conservation and the importance of a strong outdoor water conservation campaign.</p> <p>Julie Tacker commented on watering at night to reduce water evaporation; commented on the need to reduce irrigation of the middle school field and park turf. She opposed the continued irrigation of Broderson restoration efforts with potable water.</p> <p>Richard Margetson recommended several ideas for community awareness to encourage public compliance.</p> <p>The Board discussed the need for voluntary compliance as this is a critical issue; public awareness; the efficiency of drip irrigation; watering during dark hours to reduce evapotranspiration; the need to clarify parcel size and time allotted to watering; and the necessity of a strong public information campaign.</p> <p><b>A motion was made by Director Storm to amend Section 2a of Resolution 2014-15 to read “the use of potable water on residential facilities to irrigate grass, lawns, ground cover, shrubbery, crops, and vegetation (not including trees) ...”. The motion was seconded by Director Moothart.</b></p> <p><b>Director Ochylski requested the motion be further amended to read: The use of potable water to irrigate lawns or ornamental landscape plantings, including groundcovers and shrubs, shall be limited to a total of 15 minutes during dark hours on Wednesday and Sunday for even numbered addresses; and Tuesday and Saturday for odd numbered addresses. Community recreational facilities shall be excluded from this regulation.</b></p> <p><b>Director Storm and Director Moothart agreed with the amended motion and it carried with the following roll call vote:</b></p> <p><b>Ayes: Directors Storm, Moothart, Ochylski, Wright</b>  <b>Nays: None</b>  <b>Abstain: None</b>  <b>Absent: Baltimore</b></p>
